Donated Demining Equipment Bound for Nairobi Mine Action Training Center

(01.03.2007)

Schonstedt Instrument Company and the United Nations Mine Action Team have identified the first recipient of free demining equipment under the Schonstedt Humanitarian Demining Initiative. The International Mine Action Training Center in Nairobi, Kenya will take delivery of an initial shipment of twenty magnetic locators for training and use in landmine and unexploded ordnance (UXO) detection. The open-ended Schonstedt program will place hundreds of the sophisticated tools in the hands of humanitarian mine clearance personnel worldwide. [weiterlesen >>>](#)

(14.02.2007)

Senators Diane Feinstein (CA) and Patrick Leahy (VT) today introduced important new legislation that would ban the use of U.S.-made cluster bombs in civilian areas. [weiterlesen >>>](#)

Gemeinsam gegen Streumunition: Aktionsbündnis Landmine.de- Pressekonferenz mit Bianca Jagger und Claudia Roth.

(14.02.2007)

Auf einer Aktionsbündnis Landmine.de-Pressekonferenz am 13.2.07 in Berlin, unterstützte Bianca Jagger im Vorfeld der Oslo Conference on Cluster Munitions (22.-23.2. 2007) die Forderung nach einem Verbot von Streumunition. Die Trägerin des Alternativen Nobelpreises sagte in Berlin, es komme einer kriminellen Handlung gleich, Streumunition zu produzieren. Viele Kinder würden getötet, weil diese glaubten, es handele sich um Spielzeug. [weiterlesen >>>](#)
