No Good Deed Goes Unpunished (Sri Lanka)

(15.06.2006)

June 16, 2006: Air force bombers attacked LTTE camps again. The LTTE blames the government, and the Norwegian peace negotiators, for the resumption of fighting. Some Sinhalese parties also believe the Norwegians are at fault, especially the Buddhist nationalists, who believe the Norwegians are helping the LTTE. The basic problem is that LTTE hardliners will not give up on partitioning the island, something that is unacceptable to the Sinhalese, who are the majority on the island. [weiterlesen >>>](#)

Guns Don't Kill People, Bullets Do

(15.06.2006)

United Nations, 17 June, (IPS): The National Rifle Association, one of the most influential pro-gun lobbies in the United States, has philosophically argued that "guns don't kill people, only people kill people". But Oxfam, the international relief organization based in London, raises that argument to a more realistic level: it's bullets that kill people. "The bullet trade is out of control," says Oxfam, and "it is fuelling conflict and human rights abuses worldwide." [weiterlesen >>>](#)

Rebels Targeted in Sri Lankan Air Strikes for Second Day

(15.06.2006)

Lanka rebels warn of attacks (SRI LANKA)

(10.06.2006)

Around 600 people, half of them civilians, have been killed so far this year in what analysts say are apparent tit-for-tat attacks by both sides, and many diplomats fear a low intensity conflict is set to escalate. The violence continued yesterday. The Tigers accused the military of killing four rebels, including one of their senior commanders, in a series of claymore fragmentation mine blasts in the northwestern district of Mannar. [weiterlesen >>>](#)

Angola's golden goals

(10.06.2006)

The World Cup adds further momentum to Angola's long struggle to leave its past behind. The country's hard-won independence was followed by a 27-year conflict, between the communist-backed MPLA and the Unita rebel force. More than 1.5million people were killed before the fighting finally ended in 2002. There are more landmines in Angola than in any other country, one for every child. Two million people - one in seven of the population - are threatened by starvation. [weiterlesen >>>](#)

Bomb hits Afghan intelligence official's convoy, three killed (AFGHANISTAN)

(10.06.2006)

KABUL: A bomb struck a convoy carrying a top Afghan intelligence official, missing him but killing three men, while three policemen died in separate attacks yesterday in the south of the country, officials said. Meanwhile, two policemen were killed and three others wounded when their vehicle hit a landmine close to the southern city of Kandahar, said Daud Ahmadi, spokesman for the provincial governor. [weiterlesen >>>](#)

MEMORY REMOVAL IN CHILE CONCENTRATION CAMP FROM PINOCHET ERA - OPERATION CLEANUP (CHILE)

(10.06.2006)

The city planning in Chacabuco is diabolically precise. Founded by a British mining firm looking to pick up slack in the sunset of the Chile nitrate boom, it's a model work camp, an imperial gem with a place for everything, and everything in its place. The remaining evidence of Chacabuco's existence as a concentration camp is the most obvious and absurd. The town is surrounded by displaced landmines, originally put there to keep prisoners from escaping. [weiterlesen >>>](#)

Forest fire triggers landmine blasts along LoC (JAMMU)

(10.06.2006)

Jammu, June 11 (PTI): Fifteen landmine explosions took place along the Line of Control in Rajouri district of Jammu and Kashmir overnight due to a forest fire, spreading panic in the nearby hamlets but causing no casualties, official sources said here today. [weiterlesen >>>](#)
