

Abkhazian Side Accuses "Georgian Saboteurs" of Mining Territory (Caucasus)

Lorens Koghonia, head of Gali Department of Abkhazian Police, accuses 'Georgian saboteurs' of mining the territory. Koghonia stated to Interfax the following.

(10.03.2009)

'Georgian saboteurs might have mined the territory against the law enforcers patrolling in night hours. However, incidentally civilians exploded on the mine.' - Koghonia noted.

According to his statement of head of Gali Department of Abkhazian Police, the car of Sulkhan Gulua hit the mine yesterday night. No injured has been reported in the blast.
