Chamalang (Pakistan) - Five Frontier Constabulary (FC) rangers died and four injured in a landmine incident on July 19th, 2003 in the area of (RD 109) near Sindh and Baluchistan Border.

(19.07.2003)
An incident took place when they were on their routine petrol to insure law and order situation in (RD109) which was not satisfactory due to frequent tribal conflicts and the sabotage activities of the blowing up of gas pipe line in last few months.

For initial treatment injured were rushed to the nearby Hospital.
