

## Lebanese PM arrives to UAE

---

**The Prime Minister expressed his appreciation to the UAE President for his continuing support politically and economically which helped Lebanon in the reconstruction process, underlining in this regard the UAE's overage of the mine removal project cost in the South of Lebanon.**

(04.10.2005)

President of the United Arab Emirates Shaikh Khalifa bin Zayed Al Nahyan received Lebanese Prime Minister Fuad Siniora who arrived here Monday morning on a one day visit to the UAE.

Shaikh Khalifa affirmed his country's keenness to support Lebanon and continue efforts aimed at implementing further progress and development in various scales. For his part, the Prime Minister expressed his appreciation to the UAE President for his continuing support politically and economically which helped Lebanon in the reconstruction process, underlining in this regard the UAE's overage of the mine removal project cost in the South of Lebanon.

The Lebanese Prime Minister briefed the UAE's President on the latest developments in Lebanon and the exerted efforts to convene an international conference to support Lebanon.
